

Welcome to the new Microsoft Careers site! We're excited for you to explore our refreshed platform and all the opportunities it offers. To get started, please take a moment to create a new profile and set up your preferences—this helps us tailor your experience. Note: Your previous application history has not been carried over to the new site. If you were already in the interview process or want to view your past profile and applications, you can still access them by [navigating here](#).
